Rural Route 4,

Victoria, B. C.,

Canada,

January, 1926.

To Patrons and Friends:

Please accept my sincere thanks for your support during the past year, and I trust that the seeds, etc., purchased by you proved satisfactory. 1925 proved a very good year-for seed, which enables me to offer this year seed of high quality. To those who may not have yet purchased from me, I sincerely invite comparison with any seed purchased at equal or higher prices.

Yours sincerely,

FRED COUSINS.
